TO: David Schlueter **DATE:** 3/21/16
FROM: Stephanie Malmberg **SUBJECT:** Single Bid Response on OP 8251

David

I am responding to the sole bid received by Dresser Trap Rock Inc., to provide Gray Class A Aggregate to the City. The sales representative from Martin Marietta, the other company who typically puts in a bid for this material but has not done so in the past two years, contacted Purchasing and stated that Martin Marietta would not be submitting a bid this year because all of the City Requirements do not justify the small amount of material being ordered.

Based on this, it is my recommendation that the City move forward in awarding the bid to Dresser Trap Rock Inc., to provide Class A Aggregate to the City of Minneapolis. The total contract amount will be \$148,600.00.

If you have any questions or concerns please feel free to contact me.

Thanks
Stephanie
